Stem Cell Research Enhancement Act of 2004	DE)	Health Service Act to provide for human embryonic stem cell research.	2004; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.
H R 4812 Stem Cell Discovery Through Diversity Act	Rep. Peter Deutsch (D-FL)	A bill to require the National Institutes of Health to conduct and support research using human embryonic stem cells, and for other purposes.	Introduced on July 12, 2004; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.
S 303 Human Cloning Ban and Stem Cell Research Protection Act of 2003	Sen. Orrin Hatch (R-UT)	A bill to prohibit human cloning and protect stem cell research, but would permit therapeutic cloning as long as certain ethical requirements are met.	Introduced on February 5, 2003; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.
Research Training			
H R 1002 Training and Research in Urology Act of 2003	Rep. James Leach (R-IA)	A bill to enhance research, training, and health information dissemination with respect to urologic diseases. Authorizes appropriations, in addition to those already authorized, for inter- and intra-agency research in urology conducted and coordinated by NIH in the amount of \$5,000,000 for FY2004	Introduced on February 27, 2003; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.

		through FY2008, and such sums as necessary thereafter.	
Drug Development			
H R 828 Pharmaceutical Fiscal Accountability Act of 2003	Rep. Carolyn McCarthy (D-NY)	A bill to amend the Federal Food, Drug, and Cosmetic Act to allow certain applicants for approval of a generic drug to be eligible for a 180-day period of protection from competition. Section 4 of the bill directs NIH to award grants or contracts to define "small entities," including universities, to support Phase I or Phase II clinical studies toward the development of new drugs. The bill authorizes appropriations for carrying out this section in the amount of \$750,000,000 for FY2004.	Introduced on February 12, 2003; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.
H R 5306 The New War on Cancer Act	Rep. John Carter (R-TX)	This bill would amend the Federal Food, Drug, and Cosmetic Act with respect to market exclusivity for cancer drugs, and to amend title 35, United States Code, to provide for the extension	Introduced on October 8, 2004; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.

		of the patent term on such drugs equal to the regulatory review period for such drugs.	
RESEARCH TRUST FUNDS			
H R 1352 Biomedical Research Assistance Voluntary Option Act	Rep. Michael Bilirakis (R-FL)	A bill to amend the Internal Revenue Code of 1986 to allow taxpayers to designate that part or all of any income tax refund be paid over for use in biomedical research conducted through the National Institutes of Health.	Introduced on March 19, 2003; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.
H R 1385 Breast Cancer Stamp Extension	Rep. Joe Baca (D-CA)	A bill to extend the provision of title 39, United States Code, under which the United States Postal Service is authorized to issue a special postage stamp to benefit breast cancer research. Breast cancer stamps, to date, have brought \$24 million to NCI.	Introduced on March 20, 2003; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.
H R 1692 Taxpayers Cancer Research Funding Act of 2003	Rep. Peter T. King (R-NY)	A bill to amend the Internal Revenue Code of 1986 to establish and provide a check-off for a Breast and Prostate Cancer Research Fund.	Introduced on April 9, 2003; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.

S 2000 2 Year Extension of Postage Stamp for Breast Cancer Research	Sen. Dianne Feinstein (D-CA)	A bill to extend the special postage stamp for breast cancer research for 2 years.	Introduced on December 9, 2003; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.
TOBACCO			
H R 245 Tobacco Equity Elimination Act of 2003	Rep. Ernie Fletcher (R-KY)	A bill to replace existing Federal price support and quota programs for tobacco with price supports and quotas designed to assist the actual tobacco producers, to compensate quota holders for the loss of tobacco quota asset value, to provide assistance for active tobacco producers, including those who forgo obtaining a tobacco production license.	Introduced on January 3, 2003; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.
H R 936 Leave No Child Behind Act of 2003	Rep. George Miller (D-CA)	Includes regulation of tobacco products sold to children and education of children on health risks of smoking.	Introduced on February 26, 2003; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.
H R 986 / S 1490 Tobacco Market Transition Act	Rep. Virgil Goode (R-VA)	A bill to replace the existing Federal tobacco	Introduced on February 27, 2003; Since the bill

		<p>program with a federally chartered corporation to ensure the stability of the price and supply of domestically produced tobacco, to compensate quota holders for the loss of tobacco quota asset value, to provide transition assistance for active tobacco producers, to increase the competitiveness of domestically produced tobacco, and other purposes.</p>	<p>was not acted upon before the 108th Congress adjourned, the measure died.</p>
<p>H R 3160 Tobacco Reduction Accountability and Community Enhancement Act of 2003</p>	<p>Rep. Ernie Fletcher (R-KY)</p>	<p>A bill to eliminate the Federal quota and price support programs for tobacco, to provide transitional assistance to tobacco quota holders and traditional producers of tobacco affected by the elimination of these programs, to ensure the future quality and availability of US-grown tobacco, to protect against the disruption of tobacco markets, to establish a trust</p>	<p>Introduced on September 24, 2003; Since the bill was not acted upon before the 108th Congress adjourned, the measure died.</p>

		fund to finance this act, and other purposes.	
H R 3469 Stop Kids from Smoking Act	Rep. Steven Rothman (D-NJ)	A bill to prohibit vending machines that sell tobacco products in locations where minors are permitted.	Introduced on November 6, 2003; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.
H R 4033 Fair and Equitable Tobacco Reform Act of 2004	Rep. William L. Jenkins (R-TN)	A bill to terminate the Federal tobacco quota and price support programs and to require the payment of fair and equitable compensation for tobacco quota holders and active tobacco producers adversely affected by the termination of such programs.	Introduced on March 24, 2004; Since the bill was not acted upon before the 108 th Congress adjourned, the measure died.
